## Enhanced reporting within CMS - Membership Breakdown Report

The **Membership Breakdown Report** has been developed to assist Trusts analyse their membership through different dimensions in order to understand the membership dynamics above and beyond the targets required by the Independent Regulator.

Simply use the filters to select your preferred Constituency and Sub-constituency or Catchment and run the report. The output combines all of the key membership information which includes;

- Gender
- Monitor Ethnicity
- General Ethnicity
- Monitor Age
- Age by 10 year bands
- NRS grades
- ACORN classifications

The report automatically compares your member data against your local population, providing a percentage and an index which will give you an immediate view of member representation.
